The Hong Kong Institute of Education is commissioned by
the Education Bureau to provide the captioned programmes

序言

根據校本管理的原則，受資助學校在管理學校運作和資源運用方面，會更加靈活並享有更大自主權，以期促進學校為莘莘學子提供優質教育。另一方面，學校除了要增加透明度外，還要加強問責機制和引進主要持份者參予校政決策工作。

身為法團校董會成員，校董的工作可謂任重道遠、日益重要：既要帶領學校改善計劃，也要推動學生全人發展。鑑於學校在新的管治架構下，需要加入不同界別的持份者，本課程旨在協助那些與學校教育有密切連繫的現職或擬任校董在《教育條例》新訂定之管治架構下有效地履行其職能。

Introduction

Under the principle of school-based management, aided schools are given more autonomy and greater funding flexibility to manage the operation and resources of schools to facilitate the provision of quality education. In return, schools are expected to be more transparent and accountable for their operation and key stakeholders should be involved in the decision-making process.

As members of the IMCs, school managers are playing an increasingly important role in leading and steering the school for improvement and in promoting students' all-round education. In view of the proposed changes to the school governance framework to include stakeholders of different categories, this programme is customized to help serving as well as potential school managers who are closely related to the provision of school education (e.g. teachers and principals) to function more effectively under the new governance framework provided by the Education Ordinance.
